ECPA

Engler Center for the Performing Arts

thank you

FOR JOINING US FOR OUR VERY FIRST VIRTUAL SHOW!

DEAR PATRONS,

In times of crisis, we turn to family, friends, and things that ground us. The Engler Center for the Performing Arts is all of that for so many of us in the community and our students. While viewing a show virtually is new for all of us, we are excited to be providing an opportunity to our students and patrons.

We are excited to share a new student group with you titled, the ECPA Student Leadership group.. This group provides space for students to create and produce shows, learn and grow in various areas of theatre, and promote the importance of the performing arts within our schools and our community. We look forward to their future! Today, you will witness their first production, "Chilton's Got Talent 2020 - A Virtual Variety Show for All!"

We cannot wait until we can invite you back to the ECPA for live events and fill our seats but, until then, we will deliver entertainment to you safely, through a virtual platform.

Happy viewing,

JENIE FARRELL, Director
